The News from Our Class

Congratulations, you made it through the first week of Kindergarten! Last week we spent a lot of time learning all about our classroom's and school's rules, routines, and procedures. We even came up with some rules for our classroom as well as signs to help us remember where things are and what we are supposed to do.

This week in Math we will continue to develop basic number sense by reviewing counting, writing numbers, learning about the concept of zero, comparing values. We also just started our class jobs and talked about what kinds of jobs people have at our school and in the community. Gardening class will begin on Thursday, and we're excited to start reading with our fifth grade reading buddies this Friday!

So far, we love spending time in our class library. In Language Arts, we have been reading a lot, reviewing the alphabet, and are working on reading and writing with our sight words: "I" and "can". It is going to be a great school year!

Reminders

Back to School Night is
September 1st from 5pm-7pm.

.....

If you are picking up your child right when school ends, the best place to meet us is right outside the building.

.....

Mrs. Valleie's Office Hours are
M/W 2:30pm-4pm & T/Th
6:45am-7:45am, please feel free
to stop by!

Home-School Connection

- Counting everyday objects and comparing quantities are great ways to reinforce our math concepts.
- Monthly Reading Logs will begin next month, but please be sure to with your child even before they start.
